Washington, Sept. 23.—Fressure was low to-night over and north of the region of the Great Lakes, and it was high over the Canadian maritime provinces and the northwestern States. This pressure distribution has been attended by fair weather during the last twenty-four hours in all parts of the country, except southern Florida and on the north Pacific coast, where there were showers. Temperature remains above the normal in all parts of the country except on the immediate country except on the immediate Atlantic coast. The outlook is for fair weather to-morrow and Monday gen-erally east of the Mississippi River, with cooler weather to-morrow and Monday in the lower lake region and the upper Ohio valley, and Monday in the Middle Atlantic and New England States, Tennessee and Kentucky.

ROOSEVELT CERTAIN GOV. MILLER WILL WIN

State I am more and more impressed with the growing strength of Gov. Mil- Danne ler with the people. The reason is that Gov. Miller always stands up in his boots. You always know where he gets off. He always know where he gets off. He always know his own mind and has a grasp of every situation. He puts through his program without bluster and in a courageous and clear sighted fashion. Take the coal emergency. He determined what ought to be done and determined what ought to be done and
